Minutes:

TONI WEEKS, Detective, Las Vegas Metropolitan Police Department (Metro), reported that the appellant's work card was denied due to her criminal history. She is a repeat offender who recently moved to Las Vegas. The owner of the establishment where MS. BAGUINON is seeking employment is willing to hire her, despite full awareness of her criminal background. However, the owner is uncertain whether MS. BAGUINON will be working as a clerk or a manager, and her original application was for manager. MS. BAGUINON indicated that she would be working as managerial clerk. She requested a second chance.

COUNCILMAN ROSS adamantly stated that he could not support issuing MS. BAGUINON a work card due to her history. He advised her to seek a job that does not require a work card. COUNCILWOMAN TARKANIAN shared the sentiments of COUNCILMAN ROSS.

CITY COUNCIL MEETING OF: FEBRUARY 7, 2007

COUNCILMAN WOLFSON confirmed with DETECTIVE WEEKS that she spoke with the owner, who is willing to hire MS. BAGUINON despite her background, and that MS. BAGUINON has been working in the County jurisdiction, where a work card is not required for a cashier position. Metro's concern is that she will work in a capacity where she will be able to sell alcohol and cigarettes.

COUNCILMAN WOLFSON questioned the difference between clerk and manager. DETECTIVE WEEKS answered that managers are required to seek a business license and come forward for suitability, and can hire/fire employees; clerks do not have those responsibilities.

COUNCILMAN REESE said that there are too many uncertainties in this matter. With the business owner not being present, he could not support issuing MS. BAGUINON a work card.
